

**New Year, New Advocacy Resolutions**  
**January 2020 | Kristin Piepho**

It's hard to believe that we're entering a new year—the perfect time to build new habits into your life. This year, consider focusing on everyday acts of advocacy. Each month, the WLA Advocacy Committee will highlight an advocacy resource, training or a call to action.

In January, even if you can't attend the entire [WLA Virtual Conference](#) on January 14, consider taking part in the closing keynote at 3:40 p.m., From Advocate to Activist, featuring John Chrastka & Patrick "PC" Sweeney of EveryLibrary.

What actions, large or small, have you been doing to advocate for libraries or the communities we serve? The [WLA Advocacy Committee](#) would love to hear from you.
