I, Fly by Bridget Heos (595.77 – HEO)

Fly is fed up with everyone studying butterflies. After all, flies go through metamorphosis too--and they are so much cooler! They flap their wings 200 times a second, compared to a butterfly's measly five to twelve times. Their babies--maggots--are much cuter than caterpillars. And when they eat solid food, they even throw up on it to turn it into a liquid... provides a new perspective on his species.
