WLA Bibliotherapy in Libraries Summit - Save the Date!

Saturday, November 16, 2024 | Online

Bibliotherapy refers to the use of reading for therapeutic purposes, and as library people, we've all seen the way stories can transform, empower, and heal. Learn more about the affective benefits of reading and how libraries can use these ideas to positively impact the wellbeing of our patrons, communities, and ourselves, even if you're not a licensed mental health professional.

The virtual Bibliotherapy in Libraries Summit offers day-long programming around the concept of bibliotherapy in collection development, readers' advisory, programming, outreach, and more. Come away with the tools and knowledge to help your library community find "shelf help."

All sessions will be recorded and made available to all registrants.

Keep an eye on the [summit webpage](#) for more details to come!

Take action to [#FundLibraries](#) in Fiscal Year 2025 (FY25)!

With the [release](#) of the President's proposed FY25 budget and the launch of [Dear Appropriator](#) letters in Congress, the annual funding process has begun. Learn more about the campaign and spread the word with our tools and resources below:

[Did Your Members of Congress Sign On?](#) [Fact Sheets & Resources](#) [Share the Campaign](#)

Take Action!

Each year, as the kick-off of #FundLibraries, ALA's Public Policy and Advocacy Office works with congressional staff to produce and circulate "Dear Appropriator" letters in Congress, addressed to members of the House and Senate Appropriations Committees, requesting funding amounts for federal programs that support libraries. The Library Services and Technology Act (LSTA) funding supports libraries of all kinds through the Institute of Museum and Library Services (IMLS) and its grant programs, including direct-to-state grants. The Innovative Approaches to Literacy (IAL) funding supports school libraries through the Department of Education. The circulation of these letters marks the first and most influential nationwide advocacy action on the federal budget in any given year. This year, the letters are being led by Senator Jack Reed (RI), Rep. Don Bacon (NE-2), Rep. Raul Grijalva (AZ-7), and Rep. Jim McGovern (MA-2).

We need your support: Take action and urge your members of Congress to sign on in support of library funding requests. In every community, in every state, in every part of this country, patrons rely on the services supported by this critical funding. **Look Who's Hiring** [Take action](#) and help preserve and expand this funding and the services it supports!

AME created survey regarding AI and education

Action for Media Education (AME), a Washington-based nonprofit with a 30+ history of promoting media literacy education, in collaboration with the Northwest Center for Media Literacy, UW, needs your help.

[AME is conducting a survey](#) regarding AI and education. They would like to learn more about teacher experience with AI this year so they can develop resources that would be useful for educators next year. This will help inform them about what types of engagement they can offer for the 2024-2025 school year.

Please take 5 minutes or less to tell them about your experience with AI in the classroom, as well as encourage your network to also fill out this survey. The more responses received, the better. Thank you!

Applications for APALA Mentoring Program Now Open!

The [application](#) to participate in the [APALA \(Asian/Pacific American Librarians Association\) Mentoring Program](#) for 2024-2025 is now open. We are recruiting for protégés and mentors. Please share widely!

- Protégés are library students or librarians with no more than 5 years professional experience (early career protégés), or librarians with 5 or more years of professional experience (mid-career protégés).
- Mentors are APALA members with at least 5 years professional experience and are active in professional library associations. We generally have a higher need for mentors with archival and public library experience, so we especially encourage archivists and public librarians to apply.

The application will close **July 31, 2024**. The Mentoring Committee will match applicants in August and inform applicants of their status by mid August. The program runs from September 1, 2024 to June 30, 2025.

Note that in order to participate, mentors and protégés must be or agree to become APALA members prior to the start of the program. Learn more at <https://www.apalaweb.org/join-or-renew/>. Send questions to mentoring@apalaweb.org.

Washington State Adult Summer Reading Book Bingo 2024 is here!

Libraries of Washington, please feel free to download, print, and distribute [these Book Bingo forms](#) to your community members!

We've seen some libraries in Washington do a drawing for prizes at the end of the summer; we've also heard from readers who are excited to bring back some of the fun of summer reading programs they enjoyed as kids – and that in itself is a prize.

This year's beautiful artwork was created by [Sabella Flagg](#). These cards were adapted from The Seattle Public Library's and Seattle Arts & Lectures bingo program, and this is the eighth year we've been able to provide a card for readers across Washington.

Send us pictures of your book bingo displays and we will post them via Washington State Library social media. Post your displays using the hashtag #BookBingoNW2024.

The Washington Medical Librarians Association (WMLA) is seeking candidates for our 2024 - 2025 Board for the positions of President Elect, Treasurer and Member-at-Large.

[Washington Reads Freely](#) is a months-long effort to celebrate the freedom to read. The effort encourages library patrons and the general public to share their stories of what reading freely means to them. The responses will be collected and shared during Banned Books Week in late September. (Sharing anonymously is an option for participants.)

WLA Community Happenings
Libraries of Washington, this toolkit will help you share the Washington Reads Freely campaign with your community members: online, in your libraries in person, or both!
