### **#WLA2025 Now Accepting Program Proposals!**

The #WLA2025 program RFP is now open. On behalf of the conference committee, we invite you to submit a program proposal.

Our 2025 conference theme, *Building Bridges & Connecting Communities*, invites you to explore the many ways libraries and library workers can bridge divides, connect individuals to valuable resources, and strengthen ties within their communities.

Join us in **Tacoma, April 10-12, 2025**, to connect with fellow library professionals and work together to build a brighter future for libraries in Washington and beyond!

Programs relevant to all kinds of libraries are sought. Additionally:

- Pre/Post-Conference Workshops are either 3 or 4 hours in length, or all day.
- Standard conference sessions are either 45 or 75 minutes in length.

- "WLA After Dark" sessions are 45-minute evening programs that are more fun or provocative than our standard fare.
- Lightning Talks are 10-minute presentations that focus on a concept, project, or how-to.

As you collect your proposal information, you may wish to refer to a preview of all questions here: <https://tinyurl.com/yef79uwm>.

Submit Your Proposal Here!

Due to the number of proposals received, not all will be accepted. In some cases, strong proposals covering similar topics may be asked to combine into one program to provide varying perspectives on the topic and to ensure that we have room on the schedule for diverse offerings. Program Coordinators may suggest alternative presentation opportunities, such as panel discussions, lightning talks, or poster sessions, to allow for as much engagement and collaboration as possible at the conference.

Proposals are due no later than **December 4**.

Applicants will be notified of their proposal status by **January 10, 2025**.
