NEWS & NOTES

WLA Advocacy Wednesday: The Power of Storytelling

"When it comes to advocating for the value of libraries, it is critical that we are able to clearly demonstrate their worth to our communities and stakeholders. We often think of data detailing foot traffic, circulation statistics, and other figures as the primary way to do this. However, there is another powerful tool that we can utilize to communicate the value of libraries—storytelling. Although statistics can look impressive, they fall short of demonstrating the amazing things libraries make possible every day, whether it be assisting a senior citizen find information on affordable housing, or making a young reader's day with the perfect book. Storytelling allows us to both highlight those impactful moments that hard numbers cannot capture, and to easily share it with our community.

The State Library of Pennsylvania in partnership with the Altoona Area Public Library and Get Stories, have created a **comprehensive toolkit** for crafting your library's story. This is a powerful tool for advocating for your library with powerful stories that happen every day."

Library Snapshot Day

It's less than one month until the **2020 WLA Academic Library Conference!** WLA's CLAWS (College Libraries Across Washington State) Section and ALD (Academic Library Division) will come together for this all-day event held at on March 20, 2020, at Central Washington University in Ellensburg.

Libraries remain grounded in traditional values and services, while evolving to serve new and emerging needs in our information environments and communities. This presentation will explore how libraries, and those that work in them, grow and adapt while remaining true to the foundations of our work.

Edible Book Festival

The Edible Book Festival brings people together for a lighthearted culinary, artistic, and literary celebration in Lake Forest Park. Creations made from food and inspired by works of literature will be displayed. (Past entries have included works titled Gourd of the Rings, War and Peas, and The Life of Pie.) Contestants are asked to bring a copy of the book that inspired them as well as a serving utensil—because at the end of the day, all the creations will be eaten.

Article: Reaching the Hard to Count

"Toledo, Ohio—once a manufacturing hub, now losing population for lack of jobs—does not want to be undercounted in the 2020 Census and miss out on critical resources. So in May 2019, the mayor and Lucas County commissioners sent area businesses and organizations a letter asking them to join a Complete Count Committee (CCC)."
