## Check Out the Winter *Alki* Issue!

The [Winter 2021 \*Alki\* Issue](#) has arrived! This issue is traditionally the Conference Issue, and we asked you to engage—critically—with the theme of the WLA annual meeting: "Communities, Conversations, Connections." We asked you to think about how library associations promote critical conversations among individual library staff and library organizations, the role a library association plays in defining library values, and to think on what the critical conversations are that your libraries are having.

You are in for a treat. The theme of critical conversation weaves in and out of

articles about staff equity, nonhierarchical mentoring, Black History Month programming, switching between library types, the revisions of an information literacy curriculum, an African American Read-In, and more. Of course, you'll find all of our usual columns as well!

### Celebrate the Holidays with WLA!

Are you looking for a special gift for a colleague, loved one, or even yourself? Consider making a donation that celebrates library advocacy — or give the gift of membership!

Our [2021 Holiday Giving Special](#) offers the opportunity to donate to the Washington Library Association in the name of a library advocate — or to give the gift of membership. Gift memberships grant one or more recipients of your choice member benefits for a full year.

This opportunity for WLA 2021 Holiday Giving donations or gift memberships will be available through Dec. 31. Wishing you happy holidays from WLA!

### Save the Dates for Library Legislative Week!

Save the dates for [WA Library Legislative Week](#), sponsored by WLA: **January 24-28, 2022!** *Registration will open in early January.*

This free, annual event is a great opportunity to network with library supporters from around the state and understand legislative priorities, as well as to meet with

state legislators and their staff to discuss the value of libraries and the impact laws have on them.
